Type	HTML-FORM	**LAB**
Due date	**08.02.2021**	**2.2**
Weighting	5 marks	

OBJECTIVES

This assessment item is designed to give you a practice on using HTML form controls

ASSESSMENT TASK

Design the following HTML pages (**Each one in separate pages**)

1.

Name

[ ]

Submit

2.

Email

[ ] ℹ

Submit

hint: sample@example.com

3.

Gender

○ Male   ○ Female   ○ Other

Submit

4.

Date of Birth

dd   mm   yyyy

[ ] / [ ] / [ ]

Submit

5.

```
┌─ Degree ──────────────────┐
│                           │
│   ☐SSC  ☐HSC  ☐BSc        │
│                           │
└───────────────────────────┘
```

[Submit]

6.

Blood Group [A+ ▾]

[Submit]

7.

```
┌─ Profile Picture ──────────────────────┐
│                                        │
│   User Id [                       ]    │
│                                        │
│   Picture [ Browse... ] No file selected. │
│   ─────────────────────────────────    │
│   [ Submit ]                           │
│                                        │
└────────────────────────────────────────┘
```
